Sir:

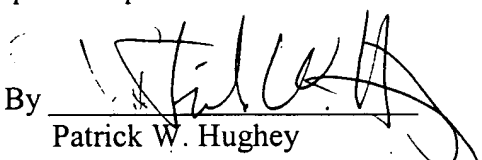

The originally issued filing receipt in this application indicates that the June 7, 2001 filing date of the domestic priority application (application No. 09/877,929) is inconsistent with PTO records.

This is to clarify that applicants claim the filing date of the priority application as June 7, 2001, and that this filing date is consistent with the PTO records as evidenced by the attached copy of a screen shot of the PAIR information relating to the priority application.

An updated filing receipt evidencing the foregoing is respectfully requested.

Respectfully submitted,
